Murderers Domesticated

COLUMBUS, Ohio — **Gov. Michael V. Disalle** left his wife and a daughter alone with eight convicted murderers yesterday while he drove to the state House for another day's work.

By Ohio tradition, the mansion is staffed with murderers. Usually the governor commutes their sentences after a couple of years.

In a precedent-shattering personal appearance yesterday before the House judiciary committee, Disalle pleaded for his bill to end the death sentence by referring to the harmlessness of his mansion workers.

"Do you think my family is less dear to me than yours?" he asked. "We sleep without fear. I look around at these men and say: 'What would we have gained if these men had been electrocuted?'"

HOW YOUR LIVER BILE BREAKS DOWN FAT

Laboratory tests have now proved that liver bile *emulsifies* fat . . . actually *breaks it down.* It is an established medical fact that when liver bile is added to fatty solids, the fat is broken down and forms a smooth, easy-flowing mix.

In your body, precious liver bile helps break down fat the same way. Many foods reach the digestive tract as undigested fatty solids. Your golden liver bile helps break down this fat . . . unblocks it . . . for easier and more complete digestion.

Carter's Little Liver Pills exclusive formula of natural, vegetable ingredients relieves irregularity gently and effectively. At the same time, it actually improves the flow of liver bile needed to break down fat in your body.

So when you feel sluggish, headachy, nervous and need a laxative, get Carter's Little Liver Pills. Remember, Carter's not only relieves irregularity, but actually improves the flow of liver bile needed to break down fat. Only 43¢.

The Only Foolproof Lawn Food!

NEW GOLDEN VIGORO

- *Won't burn even if applied double strength to wet grass . . . and you don't have to water it in. (The Canada Patent proves it)*
- *Gives grass everything it needs except sun, air and water*
- *Feeds your lawn weeks after other lawn foods have given out*
- *Builds thick, springy turf because it feeds the roots, too*
- *And you don't need a textbook to get expert results*

Lawns are to live on. If you really love your lawn feed it New Golden Vigoro.

Even a weekend "yard man" can get professional results with New Golden Vigoro. It's the only foolproof lawn food on the market. *It won't burn.*

You can apply New Golden Vigoro any time of the day, year or season . . . to any kind of lawn. *It won't burn.*

You can use it before or after the grass has started to grow. *It won't burn.*

You can even apply it double strength to wet grass without watering-in or raking—and *it won't burn.*

The proof is in the Canada Patent—New Golden Vigoro is the *only* complete, nonburning plant food ever made. *Every* ingredient is nonburning. It's the one plant food that can't be copied.

It eliminates guesswork. Two short sentences on the bag—printed in large, readable type—tell you everything you need to know to use it.

One feeding with New Golden Vigoro gives your grass every nutrient it needs from the soil except air and water. No extras needed.

It lasts up to four times longer than other plant foods applied at the same rate.

Put it on once and it keeps feeding your lawn for weeks after other lawns have started to starve.

New Golden Vigoro feeds the roots deep in the soil, not just the top. It builds up the rugged root system you need to get a turf that feels springy under foot.

Down-to-earth prices, too. Get New Golden Vigoro at your favorite hardware, department store or garden-supply centre. And get set to enjoy a lush, lovely lawn all summer long.
